EXPERIENCE

Tech Analytica Limited ⤴
Jun 2022 - Present
Full-time

Graphics & UI UX Designer

- I was responsible for designing user interfaces and experiences for enterprise products.
- Created a component-based Design System to ensure consistency and efficiency in the design process.
- Conducted usability testing, heuristic evaluations, and expert reviews to guarantee user-friendliness and alignment with target audience needs.
- Contributed to company's goal of providing services such as E-learning Platforms, E-commerce Platforms, Multiplatform Video Calling Apps, and SDK Services for Calling.
- Additionally, I excelled in videography, video editing, social media post design, and brand identity development, offering comprehensive design expertise.

Digital Studio
Apr 2016 - Dec 2019
Part-Time

Computer Operator

- Digital studio is a photography & videography based service company focused on providing online digital service.
